

Music and Movement techniques indirectly connected with Maths

Song: Double Double

Lyrics: Matching Movements

Double double this this (Fists - Fists - palms - palms)

Double double that that (Fists - Fists - Back palms - Back palms)

Double this Double that (Fists - Palms - Fists - Back palms)

Double double this that (Fists - Fists - Palms - Back palms)

Description:

Teacher shows these actions to the students while saying the rhyme. Teach every time one

Double: pairs tap their fists

This: pairs tap their palms

That: Pairs tap the back of their palms

Ideas to use:

1. Students standing in circle play first time with their couple and second time they change direction and play with the person standing behind them.
2. Teacher asks the students to move free while he is playing music on speakers and the moment the music stops students should do this in pairs or groups of 3 if they stay without a partner.
