Seven Clapping Game

Description:

Actions:

Teachers and students count to a steady beat up to number 7.

Part 1: tap hands on desk 7 times

Part 2: tap - clap - tap - clap - tap - clap - tap

Part 3: tap - clap - snap - tap - clap - snap - tap

Part 4: tap - clap - snap - clap - tap - clap - snap

Then when you reach to the last part you go to part 4, part 3 and part 1. So you actually count 7 times 7.

Ideas to use:

1. Energize the students during the lesson
2. Teach this game gradually during the lessons and built it up by the end of a term or a month.
This way students will be surprised how they achieved their target gradually.
